SPRING HAS SPRUNG, JUST TRY AND WIPE THE SMILE OFF OUR FACE...

When Spring arrives in McLaren Vale, it's hard to keep from smiling. The winter rains have left a carpet of lush green paddocks, vineyards in bud burst and gardens glowing with new colour. For the crew here at Woodstock it's also the start of the 'alfresco' season, time to dust off the outdoor setting, whack a few whites in the ice bucket and fire up the BBQ.

Just in time to celebrate the new season we've released our **2011 Semillon Sauvignon Blanc**.

Sourced from vineyards planted in 1988 at Woodstock Estate, this particular Semillon clone was specifically chosen for its tropical fruit character and zippy acidity.

Sauvignon Blanc, sourced predominately from cooler vineyards in McLaren Vale, is blended to help focus flavour intensity and lift.

This 'Sem Sav' has intense passionfruit, gooseberry and guava aromas that leap out of the glass. You'll also find refreshing traces of green apples, star fruit and lifted citrus on the palate.

Our Exec Chef, Nigel Munzberg, tasted this new wine last week and instantly recommended a match with his Lemon Myrtle Squid from his recipe collection.

Why not give it a go at home? A great dish for a Spring lunch with friends.

## SUNDAY SESSIONS...

What are you doing with your sunny Sundays this October?

I suppose you could mow the lawn or spring clean the house.

But seriously, Sundays in Spring are best spent sharing a long lunch with friends over a glass of wine whilst enjoying some cool Jazz from some of South Australia's best musicians.

This October book your table at the Woodstock Coterie for lunch on a Sunday and forget the domestic duties.

The line up for October:

- **9th October – Sam Cagney Trio**
- **16th October – Fergus Maximus**
- **23rd October – Persia & the Amorous Duo**
- **30th October – Bill Parton Trio**

Call us on 08 8383 0156 to book.

## DON'T JUST PARTY, HAVE A WOODSTOCK PARTY

Are you sick of warm beer in plastic cups, dry sausage rolls and standing around the boardroom table having the same discussion you have every year with the receptionist?

This silly season it's time to break the mould and have a Woodstock Christmas.

Only 45 minutes from the city you could be sharing a three course sit down luncheon with premium quality wines in one of South Australia's most relaxing winery gardens.

We can arrange everything including a package tailored to your needs, bus transfers and even special gifts for guests.

Please call us on 08 8383 0156 for all function enquiries or click below to see our Christmas packages.
